

Dear Parents/Guardian,

To access Educomp Online you can open it through <http://www.educomonline.com> → click on member login.

Then give your User Id and password which you already have.

Q1: I am the fresh /First time user accessing Educomp, What is my user Id and password?

Ans:

Student Name: _____ Class: _____

Student's Login id: _____ Password : _____

Parent's Login id: _____ Password : _____

After providing user id and password you will be asked to fill rest of the information, fill it and enjoy it.

You can change your password also.

Q2: I already have an user id and already changed my password earlier but now I forgotten it, Can I change my password again?

Ans: Yes, you can. For that you have to follow some following steps:

Step 1:

Step 2:

Step 3:

Step 4:

Step 5: Enter your verification code which you have received in your mobile / email id after completing step 4.
