

Awards for April-18/19 (Announced on 7/4/18)

VISMA encourages students to participate in various Olympiads and identify their strength areas by helping them in building self-confidence and improving skills. They also boost the ability to think independently and reason logically.

We are extremely proud to announce the names of the Gold Medalists who participated in the SOF-National Cyber Olympiad (2017/18). These students have not only topped and achieved Gold Medals for themselves but have also brought great pride to our school. We congratulate them for their exuberant performance!

The students who received Gold Medals are:

Vansh Patel Std. - 2 A

Utsav Rohit Std. - 4 A

Samarth Sharma Std. - 6 A

Yug Bhanderi Std. - 8 A
